While we are all in different stages on our spiritual journey, team members should be seeking to live a godly, morally pure lifestyle. Because you are applying to be part of a team that may be working with minors, and what we say and who we are reflect Christ to the children/youth, please review the statements below and check the appropriate boxes.

Physical: I have no contagious disease or health issue that would currently place children, other workers, or myself at risk. I currently maintain a sexually pure life style. I am not currently abusing drugs or alcohol.

Emotional: I have no history of emotional or mental illness that would currently place children, other workers, or myself at risk.

My life style is in agreement with the above statements.

I have questions about the above.

I have written an explanation about areas of which I am not sure.
