PHILOSOPHY OF EDUCATION

Children deserve to be loved and have an excellent, Christ-centered education. Through Biblical teaching and modeling, role play, experimentation, one-on-one and small group instruction, discovery, self-expression, public speaking, inquiry, a love for learning, and encouragement, students can grow into all that God has created them to be. In this way, they can fully enjoy knowing Jesus Christ and see the world through His eyes. In all these, Faith exists to equip our future generations to live for Christ.

Faith Christian School exists to train students ready to share the Gospel of Jesus Christ by building a strong Christian worldview, godly wisdom, Christ-like character, and favor with God and man (Luke 2:52).

FAITH CHRISTIAN SCHOOL
N2541 CTY. RD. K
WAUPACA, WI 54981

*FCS admits students of any race,
color, or national or ethnic origin.

**A Principal's
Heart,
Jaime Jackson**

*MA Ed Leadership
BA Elementary Ed
Certified Administrator*

My vision to found Christian schools began over 17 years ago. Since then, my career has included international, homeschool and public education. In 2011, I founded a new Christian school near Green Bay, WI. In 2016, I had the privilege to start FCS here in Waupaca, WI, as a ministry of Faith Community Church. My educational philosophy is a result of all my experiences as a believer, parent, school leader and educator.

As such, Faith Christian School is founded on a Biblical Christian worldview, crediting God as the source and Creator of all knowledge. Therefore, the academic subjects are approached not only in their utility in life but also as an exciting exploration of who God is and how His Creation works for His ultimate glory. To be specific, learning language is important because it was God's powerful tool for Creation. Ultimately, learning is also a revelation of who God has made each of us to be and how we can be used to bring Him glory and edify the church.

With the belief that we are uniquely created in God's image, I believe education should be tailored to best prepare a child to fulfill their God-given purpose. Thus, incoming students are tested and placed at their instructional level. While their current achievements are celebrated, they are given support to grow toward meeting grade-level expectations with the freedom to grow and flourish at an accelerated pace. Above all, I believe a child's relationship with the Lord affects all areas of their lives and is, therefore, of supreme importance. Thus, each day begins with devotions, memory verses, worship and prayer.

Above all, Faith Christian School is founded to disciple children to know Jesus Christ and to fulfill their God-given purpose, working together as a family to help them leave a legacy of walking with Christ. We hope you'll consider joining us!

FAITH CHRISTIAN SCHOOL

At the heart of Faith Christian School
is following Jesus' example through living by God's Word.
We believe that connecting all aspects of our lives to Christ,
including our education, is how God intended for us to live and learn.
Faith Christian School exists to pass on this legacy to future generations.

Tailored Learning in Small Class Sizes

Integrated Christian Worldview
