FAMILY CHALLENGE for Parents

Isn't it fun to do something in an area in which you excel? When we combine our abilities with a God-sized purpose, it becomes an incredible experience. That's what happened to the Israelites when they built the tabernacle. They used their gifts from God to get a God-sized job done! It was an honor to serve God.

Take the Family Challenge

Is your child good at music, art, shopping, baking, or sports? Teach your children how to serve God this week by using a special gift or interest they have. For example, draw a picture and give it to someone living in a nursing home. Make cookies for someone who needs encouragement. Have your child help you shop at the grocery store and then drop the food off at a food pantry. Remind your child that by serving others, they are serving God!

You Did It!

When you've completed this week's Family Challenge, bring this coupon back for a special prize! Name _____ Parent's Initials _____

THINK RIGHT

Mark 12:30-31a

Practice your verse with hand motions:

Love (hug self) the Lord (point up) your God (other pointer finger up) with all your heart (hands over heart) and with all your soul (point from your toes to your head with two fingers) and with all your mind (point to head with two fingers) and with all your strength (show muscles). The second is this (hold up two fingers): Love your neighbor (point to a neighbor) as yourself (point to self).

FEEL RIGHT

I can feel joyful when I serve God.
