FALL LESSON 5

Family Challenge FOR PARENTS

What does it look like when God is #1 in your life and home? Would you say God alone comes before sports, recreation, vacations, and finances? As our children continue to study Exodus, they discovered how easy it is to lose focus on God and put other "things" before Him. We would like to challenge you, as parents, to have spiritual conversations with your children about making God #1 in their time, finances, and priorities.

Take the Family Challenge!

Make a timeline of your week; include things you did and places you went. Highlight the times you noticed your family focusing on God and learning about, worshiping, or honoring Him. Discuss how God can be woven into your everyday life (Deuteronomy 6:6-7).

You did it! When you've completed this week's Family Challenge, bring this coupon back to your teacher and receive five Tracker Tickets!
