Series: Transformed Generosity

Title: From a Compassionate Dad

Scripture: Luke 15:11-32

Applications for Life Transformation:

1. If you came into a large sum of money, what would you do with it?
2. Are you pursuing a large sum of money? Does our pursuit of money change our relationships with our family and God for the better or the worse?
3. If a prodigal son, daughter, friend, or church member returned and confessed their sin against God and you, how would you respond? (with caution or celebration)
4. If you saw a prodigal return to God and watched others celebrate their return, is there a place in your heart that might be prone to jealousy?
