Revelation 2:1-29

### Applications for Life Transformation:

1. Read through Revelation 2 together as a Life Group.
2. What helps you to restore a strong love for God in worship?  
(Remember worship is everything we do in life)
3. What can tempt you to be less faithful in worship of God?
4. Where have you lacked discernment in teaching? Or  
compromised in allowing sinful practices (even sexual  
immorality)?
