

APPLICATIONS FOR LIFE TRANSFORMATION

1. Read over 1 John 1:1-10 five times as a Life-Group. Take turns and let Gods word soak into your souls.
2. How real is your fellowship with God and His church? is it based on 1 John 1? (reflect & Write down where false ideas of God might creep in or if you have been sidetracked from fellowship from anyone in the church)
3. To restore fellowship with God and others, think about Jesus' blood shed on the cross for you, and confess the sins that come to mind. Now, ask the Holy Spirit to search deeper into your soul for the sins still left unconfessed.
