1. Read 1 John 2:1-29 and ask your Life Group what text speaks most to them and why.
2. Have you ever been deceived by false teaching/living or believing something you later realized was not true? How did the false idea get past your “discernment”?
3. Why does John make special mention of “children”, “Fathers”, and “young men”?
4. In light of the fact the anti-christ is coming and Jesus is coming, how do you treat others?
