

APPLICATIONS FOR LIFE TRANSFORMATION

1. Read Matthew 7 together as a Life Group and share what the Holy Spirit emphasizes for your soul.
2. How quick are you to “judge” someone at work, home, or play? (do you make a snap judgment or withhold judgment for an hour, day, week, year)
3. Since no one is 100% right in judgement, recount some of the times you’ve been wrong. What did you learn?
4. Discernment evaluation: How can we improve discerning ourselves, “dogs”, our prayer life, wide gates, false prophets, and fruit in others?
