

## APPLICATIONS FOR LIFE TRANSFORMATION

1. Read Matthew 12, five verses at a time and discuss with your Life Group what you see and how it applies in life.
2. Is there a tradition in our church or life that is good but we have moved it to an unhealthy level? (we criticize others who don't follow our tradition)
3. Jesus challenges the "religionists" as they challenge Him. What can we learn from Jesus to confront the "legalists" with their application of scripture.
