

APPLICATIONS FOR LIFE TRANSFORMATION

1. Read through Judges 6-7 and ask yourself and your Life Group, "What is God asking you to do to bless your friendships, family, work, or community?"

2. What community influence is hurting your relationships (friendships, family, work, or community) that God is calling you to change? Discuss with your Life Group.

3. Jesus promises in Matthew 28:20 to never leave us. Do you believe this promise? Do you "feel" this promise? Do you believe this promise even when God "reduces" the people He chooses to "fight" his battles?

4. What "dream" or vision is God giving you to fight evil in our community?
