

APPLICATIONS FOR LIFE TRANSFORMATION

1) Read Luke 1:26-45 and ask your Life Group members to share what observations they make about the text and applications for their life?

2) What would be your response if God highly favored you with a promotion at work but with it came jealousy from co-workers and false accusations?

3) How would you handle the burden of being unfairly "shamed" by others at work, in your family, church, or community? Could we say "I am the Lord's servant?"
