## FAMILY CHALLENGE for Parents

### Who's the Leader?

Today, we continued to learn about the Israelites. We discovered the importance of asking Jesus to save us from our sin, and making God the leader of our lives. When your child surrenders and is obedient to God, the results become outwardly obvious. You will see a changed life, but remember, this takes time. As a parent, you need to continually coach your kids in every aspect of life. You need to become their spiritual coach. How do you do this?

- Memorize Bible verses with your kids, take time to explain what they mean, and how they can be applied.
- Have your kids attend Discovery Land regularly so your kids can continually learn how to follow God.
- Read the Bible and pray with your kids daily.
- Be patient and hold your kids accountable.
- Pray for your kids every day and never give up!

### Take the Family Challenge

Make up a fun game with simple instructions such as "jump over a pillow, crawl under your bed, find a book with a red cover, etc." Read each instruction and have your kids follow them. After they accomplish each instruction, cheer for them. Read Ephesians 6:1. Use this time to explain how we need to "follow" the instructions in the Bible.

John 3:16

"For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life."

**Parenting Tip:** Make a drum out of a container and create a beat as you recite the verse. Kids often memorize quicker if there is beat or rhythm to a verse.
