FALL LESSON 10

Family Challenge FOR PARENTS

Who's the Leader?

Today we continued to learn about the Israelites. We discovered the importance of asking Jesus to save us from our sin and making God the leader of our lives. We learned the importance of surrendering "our will" so we can truly follow Him. When your child surrenders and becomes obedient to God, the result becomes outwardly obvious. You will see a changed life, but remember, this will take time. As a parent, you need to continually coach your kids in every aspect of life. You need to become their spiritual coach. How do you do this?

- Memorize Bible verses, take time to explain what they mean, and how they can be applied.
- Attend Discovery Land on a regular basis so your kids can continually learn how to follow God.
- Read the Bible and pray with your kids daily.
- Be patient and hold your kids accountable.
- Pray for your kids every day and never give up!

Take the Family Challenge

Discuss with your kids what it means to follow God. Ask them, "In following God, what actions or attitudes should you leave behind?" Write out or draw these comments and put them next to their bed. Use it as a prayer reminder for you and your child each night of this week.

Keeping Current

Linking the Past with the Present

Does the Jordan River still exist today? Yes, it does. Currently, the river serves as the eastern border of the State of Israel and the disputed Palestinian Territories. When you watch the world news, you will often hear Israel and Palestine mentioned.

Know Right

Joshua leads the Israelites across the Jordan.

What did you discover today?

- Who led the Israelites?
- Joshua told the Israelites that God was going to do amazing things. What did he mean?
- What does it mean to consecrate?
- What happened when the Israelites arrived at the Jordan River?
- What was the meaning of the twelve stones?
- How will people know God is your leader? Do people see you follow and obey God?

Answers: 1. God. 2. God would stop the water of the Jordan River so the Israelites could pass through on dry land. 3. To give all of yourself to be used by God. 4. The upstream water stood still and piled up in a heap so that there would be a place for them to cross. 5. The rocks represent the twelve tribes and would remind future generations of Israelites how God stopped the waters of the Jordan River and let them pass through to the Promised Land. 6. Various.

- Window washing and lawn mowing provide employment and discipleship for refugees.
- They are “gutting” a bus to turn into a mobile thrift store
- They are currently seeking someone who knows animals well to coordinate a goat/camel farm.

Pray that the refugee families can quickly find jobs **and learn about Jesus.**
