## FAMILY CHALLENGE for Parents

Our journey through the Bible continues as we soar 1,400 years forward in time. The Israelites are living in their promised land of Canaan, now the country of Israel, where many generations have come and gone.

We begin a new quarter with your child learning about the birth of Jesus. They will be challenged to understand Jesus is God's gift to us and He will save us from our sin.

### Take the Family Challenge

This week, reinforce the true meaning of Christmas with your child. Set out a nativity scene and talk with your child about the names of the people, and why Jesus came to earth (He came to save us from our sin). Encourage your child to tell you what they learn each week.

You Did It!
