

YES, NO, OR WAIT

An important part of growing closer to God is talking with Him in prayer. On your own or as a family, write down things you are thankful for and your prayer requests. Talk with God about these things this week and watch Him work!

SPRING LESSON 1

Have you ever been in an emergency room? It's amazing to watch how intense, loving, and focused the workers are when dealing with families in crisis. Today, in our Bible lesson, we discovered a group of friends who knew it was critical for their paralyzed friend to see Jesus and be healed. Ask your kids what kind of healing he received.

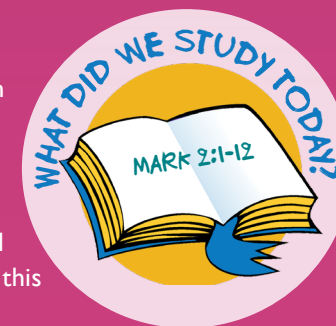

Do you ever look at people and see their spiritual needs? How loving and focused are you when it comes to bringing them to Jesus? As you review this lesson with your children, consider that question.

Take the Family Challenge

Who lives in your neighborhood?

Do the kids in your neighborhood, school, or sports teams need to know Jesus? Write down two names and begin to pray for them as a family this week, and then invite them to church.

BRINGING THE BIBLE TO LIFE

Create a diorama of the house, or build the house with LEGO® bricks,
where Jesus healed the paralyzed man. Cut a whole out of the top of
the box to lower the man through the roof. Practice telling the story
to your family and then tell it to someone who needs to hear about
Jesus' miracle.
